Name: .

Do Now: Trig practice

Graph carefully using pencil

1. Given the periodic function $f(x) = \sin x$.

x	$y = \sin(x)$
-1	
0	
1	
1.5	
2	
3	
4	
4.5	
5	
6	
7	

- (a) Using the calculator table function, complete the y values.

- (b) Graph the function on the grid below.
